## We make room for you

Maybe you need somewhere safe to store those sentimental treasures while you move house. Or your snowboard has become an irritating living room ornament – because there's just nowhere else for it. Perhaps you've decided to take life by the horns and head off on a holiday of a lifetime – and you want to let out your flat whilst you are away.

Whatever your reason, we can help you make more room – by renting you some of ours.

## Self storage, plain and simple

Put simply, you rent a private self-contained storage room within one of our stores. You can access your room at any time during our opening hours and there's even 24hr access on selected rooms. Subject to availability of course.

The best bit is that with ABC you only pay for the days you are storing – there's no minimum term and no notice to vacate – features you just won't find anywhere else.

## Better space

If storage conjures up an image of a dingy backstreet lock-up then let us give you the real picture.

With swipe card entry and round-the-clock CCTV, ABC Selfstore rooms are safe and secure. We have covered loading bays, pallet trucks for customer use and can even help with reception and despatch of deliveries.

And if you need it while you are here – we've a customers internet kiosk and free WiFi hotspot.

Oh, and if you work up a thirst there's tea and coffee as well – all with our compliments.

## The ABC Price Promise

At ABC we work hard to make sure we offer the very best deals locally – we even guarantee them with our Price Promise.

If you have written proof of a lower like for like quote with one of our local competitors we promise to match it.

But there's more to great value than just price, like ensuring that you only pay for the days

you store. At ABC there's no minimum term, no notice to vacate and we'll always refund any unused credit. You won't find that anywhere else.

Those little things count too – free WiFi, tea and coffee and of course legendary ABC customer service, to name just a few...

It all adds up to a better deal with ABC Selfstore.

# Packaging

We've got it all covered, and taped, and boxed...

If you've got the best storage package, you need the best packaging for storing.

To help protect your valuables our store shop has everything you might need.

Padlocks, boxes, tape, labels, marker pens, plastic covers, and more... all at competitive prices and backed by our Price Promise.

## ABC Service – the stuff of legend

Self-storage might seem a strange place to find people so committed to great service that customers rave about it. We're proud that at ABC Selfstore that's more the norm than the exception.

Here's what a couple of them think...

“ We love ABC! They are so friendly and go out of their way to help. Excellent customer service and facilities. We have moved out of two inferior storage facilities as they can't match ABC for service, value and cleanliness.” Mrs Grater

“ABC Selfstore is exceptionally efficient, inexpensive and the staff have shown the essence of professionalism. The best in the industry by far!” Mr Carroll

**If you're happy, we're happy.**
